UNFINISHED BUSINESS:

Computer Replacement Policy: (Jon for Bob)

- Bob & Jon attended Associated Students of MCC (ASMCC) meeting Tuesday, 22 Nov.
- Student reaction to the proposed technology fee was mostly favorable, but there was some resistance, some due to misinformation. There is an obvious need to disseminate information about the reasons for the proposed fee and the repercussions should it not be adopted.
- Ms. Abdusamad is attending this meeting as a student, not a representative of ASMCC. She reiterated the need for more information. MCC should also continue to seek legislative funding for technology.
- The TSC agreed that it would be beneficial to form an *ad hoc* committee consisting of students, faculty, and staff to share information about the Technology Fee. An ongoing dialog is essential.
- The Leaders in Future Technology (LIFT) club might be a good resource. Jon will contact Chuck Carletta (club adviser) to enlist their aid.

Action: Tabled pending reports.

Adobe Acrobat License: (Diane)

- Chancellor Sakamoto advised Sandra that Bob Lloyd, a member of the Chancellor's Advisory Committee, has agreed to fund the Adobe Acrobat licenses.
- Diane will contact Scott Broadbent and Marilyn Fornwall of the UH Foundation office to arrange for funding.
- Diane also noted that none of the secretaries in the Chancellor's / Dean of Instruction's offices had Adobe Acrobat. She added five licenses to the requisition to cover those needs.

Action: Tabled pending report..

Wireless Network Access Fees: (Rick)

- Rick met with Steve, Chuck Carletta, Luis Escobar of RDP on 11/15.
- Luis has been assigned the project and will investigate the technology and advise.
- A sub-committee consisting of Rick (chair), Steve, and Sandra was formed to prepare a summary of the campus wi-fi status.

Action: Tabled pending further reports.

Pharos Account Status: (Diane)

- Diane is attempting to reconcile the Pharos account report.
- Jon will access Pharos accounting and work with Diane to reconcile the two.

Action: Tabled pending further report.

UH Mānoa ITS email attachment policy: (Steve)
